Description

The Apex Lightning gives you superior on the water performance. Ardent's extremely light weight high strength aluminum frame provides you the comfort and strength needed for Elite level fishing. 10+1 ball bearing produces top-level smoothness and casting distance. Featuring a deep V6061 T6 machined aluminum spool, a carbon fiber swept back handle with EVA grip knobs and externally adjustable 270 degree magnetic brake system. Also features a Drag Click System, which emits an audible click as line is pulled from the spool. Available in 8.0:1 gear ratio in right hand retrieve.
