Description

The Ardent tournament weigh-in bag is tough and durable and designed to hold your largest catch. Constructed from 600 Denier Nylon with PVC coating, this bag will hold up in the harshest conditions. The large 24" x 25" size insures that you can add enough water to your catch to keep them healthy throughout the weigh-in process.

Nice bag but the corners are weak. Used the bag 3 time and being very careful not to drag the bag on the ground and still managed a hole in one of the corners. Wish there was a way to have the corners reinforced
