Being on Ardents Pro Staff I can get any of their reels, but the Arrow series is my choice. Ardent Arrow series gives you the best quality and performance for the money bar none. Plus it comes with a 3 year warranty and won't break the bank.

I couldn't believe this reel was priced so reasonable after seeing it perform so flawlessly. It truly is considered a work horse in my collection. I use it for any of my crankbaits, chatterbaits, ect... Dont over look this amazing product!!
