Description

Our new flagship series of reels, the Ardent Summit Falcon Casting Reel, delivers serious hawg-stopping power in a lightweight aluminum package. Featuring an aluminum frame complemented by an eye-catching brushed aluminum look, this reel further reduces unnecessary weight by incorporating a 6061-T6 aluminum spool design and an carbon fiber swept back handle complete with grip-enhancing EVA knobs.

Baitcasters: Summit Falcon Baitcasting Reel

The airy and elegant external components are delightfully contrasted by heavy-hitting internal muscle to give you the advantage over your lake's biggest bass. Boasting a fish-turning 15 pounds of max drag, there is no beast this reel can't tangle with and come out victorious. In addition to its dynamic performance, the Summit Falcon Casting Reel also delivers ultra-smooth operation thanks in part to its premium 12+1 bearing system. Delivering monster-taming performance in a sleek package, the Ardent Summit Falcon Casting Reel is the ideal tool to help you secure victory on tournament day.
